SKIN CARE PRODUCT DESCRIPTION

1. Red Light Therapy Mask *(Electronic)*
A professional-grade LED facial mask that uses advanced red-light wavelengths to penetrate deep into the skin, stimulating collagen and elastin production. Designed to tackle fine lines, wrinkles, uneven skin tone, and dullness, this mask is a spa-quality treatment you can enjoy at home.
Price: ₦130,000
Available Colours: White, Rose Gold
How to Use: After cleansing, wear the mask and select your preferred light setting. Relax for 15–20 minutes daily.
Effectiveness: Clinical studies show visible skin firmness improvement, reduced fine lines, and healthier texture within **4–6 weeks** of consistent use. Ideal for anti-aging and overall skin rejuvenation.

2. Neck & Shoulder Massage Device (General Body Use) *(Electronic)*
An ergonomic massage device designed for the neck, shoulders, back, and legs. Uses deep kneading, vibration, and heat to relieve muscle stiffness, improve circulation, and promote relaxation after long hours of work or exercise.
Price: ₦40,000
Available Colours: White, Black
How to Use: Position on the target area, switch on, and adjust the speed/intensity. Use for 10–15 minutes.
Effectiveness: Provides immediate tension relief and increased blood flow. Regular use can reduce chronic muscle pain and improve mobility.

3. Facelift & Lymphatic Guasha *(Manual)*
A beauty tool designed to lift and contour the face while improving lymphatic drainage. Crafted from premium materials, it works by stimulating facial muscles, reducing puffiness, and promoting better skin elasticity.
Price: ₦70,000
Available Colours: Rose Gold, Silver
How to Use: Apply facial oil, hold the tool at a 45° angle, and gently scrape upwards along the jawline, cheeks, and neck for 5–10 minutes.
Effectiveness: Noticeable facial contouring and reduced swelling in **2–3 weeks**. Improves skin circulation for a natural glow.

4. Red Light Therapy 3-in-1 Facial Lift Device *(Electronic)*
Combines **red light therapy, microcurrent lifting, and vibration massage** in one device. It firms sagging skin, stimulates collagen, and promotes product absorption for a youthful, radiant look.
Price: ₦100,000
Available Colours: White, Pink
How to Use: Apply serum, choose your preferred mode, and massage face in upward motions for 5–8 minutes daily.
Effectiveness: Within **3–4 weeks**, users report tighter skin, improved facial contours, and enhanced skin tone.

5. High Frequency Anti-Aging & Wrinkle Therapy Wand *(Electronic)*
Uses high-frequency electrical currents to stimulate the skin, kill acne-causing bacteria, boost collagen, and improve skin cell turnover. Suitable for anti-aging, acne control, and post-treatment recovery.
Price: ₦60,000
A**vailable Colours:** White, Silver
How to Use: On cleansed skin, gently move the wand over targeted areas for 5 minutes.
Effectiveness: Fine lines visibly reduced, acne diminished, and skin tone improved within **2 weeks** of consistent use.

6. Steel Guasha *(Manual)*
Made from medical-grade stainless steel, this guasha tool is ideal for deep tissue massage, promoting lymphatic drainage, and enhancing facial and body circulation. Durable, hygienic, and easy to clean.
Price: ₦10,000
Available Colours: Silver
How to Use: Apply oil and scrape in upward/outward strokes on face or body for 3–5 minutes.
Effectiveness: Immediate muscle relief, visible facial depuffing in days, and smoother skin texture with daily use.

7. Eye Wrinkle Remover *(Electronic)*
A high-end beauty device that uses **micro-vibration and gentle heat therapy** to target fine lines, puffiness, and dark circles around the eyes. Designed for delicate skin, it boosts microcirculation and stimulates collagen.
Price: ₦220,000
Available Colours: White, Gold

How to Use: Apply eye cream or serum, glide the device gently around the eyes for 2–3 minutes per side.
Effectiveness: Under-eye area appears smoother, brighter, and more hydrated within **3–4 weeks**.

8. Beauty Photon Device (Red Light Therapy) *(Electronic)*
A portable skincare tool using LED photon light technology to stimulate collagen, improve elasticity, and even skin tone. Small enough for travel, powerful enough for spa-quality results.
Price: ₦80,000
Available Colours: White, Rose Gold
How to Use: Cleanse face, apply serum, and use the device for 5–10 minutes on problem areas.
Effectiveness: Visible skin tone improvement, reduced redness, and improved hydration in **2–4 weeks**.

9. Medicube Age-Reversal Booster Pro *(Electronic)*
A luxury skincare booster device designed to enhance product absorption deep into the skin using micro-pulsation technology. Improves the penetration of serums and creams by up to **490%**.
Price: ₦400,000
Available Colours: White, Silver
How to Use: Apply skincare product, glide device across face for 3–5 minutes.
Effectiveness: Dramatic reduction in fine lines and improved hydration within **2 weeks**; continued use delivers long-lasting firmness.

10. Collagen Remodeling Device *(Electronic)*
A professional-grade beauty tool that uses heat and microcurrent stimulation to remodel collagen, tighten loose skin, and restore elasticity. Suitable for the face and neck.
Price: ₦150,000
Available Colours: White, Champagne Gold
How to Use: Apply conductive gel or serum, use the device in upward strokes for 10–15 minutes daily.
Effectiveness: Firmer, lifted skin and improved elasticity in **4–6 weeks**, with ongoing improvement over time.
